DUCK Tour

With live commentary available in English and Mandarin, you'll hear fascinating facts and stories about the history of this energetic city, and how it came to be the innovative and unique metropolis it is today. The fun begins when you board an authentic revamped Vietnam War era vehicle on the OG Duck Tour! Cruise along Marina Bay, where you can admire the views of the bustling urban city's skyline and marvel at Singapore's most iconic landmark—the Marina Bay Sands, Gardens by the Bay, the Esplanade Theatre and the towering Merlion.

Your journey continues as you waddle back onto land and drive past the Singapore Flyer and into the Civic District. There you'll see the steps of the Old Supreme Court where the British surrendered to the Imperial Japanese army during WWII, and the War Memorial Park, a tribute to those who gave their lives during WWII's Japanese occupation.

End the tour with a loop around the world's largest water fountain at Suntec City, named the Fountain of Wealth, for good luck.
