Body Worlds

Body Worlds: The Happiness Project is an utterly fascinating journey inside the human body. Peeling back layers to reveal the inner workings of the human machine, Body Worlds offers a unique glimpse into who we are, what we need, and how your emotions affect your health and longevity. It's a one of a kind learning experience for the whole family! By utilizing a process called Plastination, Body Worlds has preserved over 200 human specimens, including about 20 full body plastinates, for your viewing pleasure.
