

### **Stop 9: Canterbury Museum**

Experience New Zealand's rich cultural and natural heritage at the Canterbury Museum. Learn about the past, present and future of Canterbury. View rare Maori artefacts, find out about Christchurch's link to the Antarctic, and The Christchurch Street will transport you back in time with sights and sounds of pioneering days.

---

### **Stop 10: Residential "Red Zone"**

*Drive by only. No Stop*

Visit Christchurch's residential 'Red Zone' in the eastern city suburbs. Here you will see the devastating impact of the 2010-2011 earthquakes and learn about the city's plan to revitalise and regenerate this area.

---

### **Stop 11: Summer Village**

Sumner is a picturesque seaside village that is well known for its beautiful beach, fantastic food and boutique fashion. We stop in Sumner so you can enjoy a relaxing walk along the beach while indulging in a delicious ice cream or relaxing with a hot drink.

---

### **Stop 12: Sign of the Takahe/Port Hills**

The Sign of the Takahe is one of four historic rest houses that was originally constructed for those walking the scenic reserves of the Port Hills. Once here you will hop out and take a short walk to a lookout to enjoy incredible views of the city, mountains and ocean.

---

## **Quake City**

*Location: 299 Durham St North, corner Armagh St.*

This exhibition tells the story of the Christchurch 2010-2011 earthquakes, charting the aftermath and extraordinary tales of heroism, hope and loss. Learn about the science of earthquakes and the phenomenon of liquefaction. The rebuild section has up to date information about the latest recovery projects and regenerate plan.
