Hop On Hop Off

for Revenium charity projects

Green line

The route marked in green is our main route and also the most comprehensive one, with something to satisfy everyone. Our smaller Hop On Hop Off buses with their open top roofs will take you comfortably through smaller narrow streets to the most important Prague sights, for example Wenceslass Square, Old Town Square or Charles Bridge. Stop number 13 on this route is also a transfer stop for the boat trip included in the price of the ticket. Do not miss this unique experience, as from the deck of the boat you will see Prague from a whole new perspective. In the vicinity of all stops in Green Line you will find the most beautiful spots in our capital, also known as Prague of the Hundred Spires in the heart of Europe.

Red line

On red line, you will experience a comfortable ride with our double deckers that will take you to one of the most famous Prague's sights, to the complex of Prague Castle. On the way up to the castle, sitting on the top deck of the bus, you will enjoy beautiful panoramic view across the city. Included in every 24 hours or 48 hours ticket, there is a free walking tour in Prague Castle taking place every day at 11:30 and 14:00 and it operates on a tips-only basis. Please, ask stewards in our buses for more information.

Yellow line

Yellow line is, at first glance, a relatively uninteresting tour, but looks are deceiving! It runs through less touristic parts of Prague, but with a lot to see! Get off in stop n.2 and discover Vyšehrad Castle hidden behind the ramps and intertwined with many national legends. The dark silhouette of the tower poking up from the cliff over the river inherently belongs to the Prague landscape.

Event name: Hop On Hop Off for Revenium charity projects

Event Organizer: HelpMi z.s. IC 07942028 and Revenium z.s. IC 065 89 383

2% of each ticket will be donated to Revenium charity projects and to its public collection

The public collection was announced to the Regional Authority of Jihomoravský kraj

10 000 tickets were printed for this event

Take advantage of this new offer and try out a unique way of getting around the streets of Prague. Two different routes allow you to get around the city comfortably with an unlimited number of transfers for a whole 24 or 48 hours! An assistant will be available in each bus to answer any questions you may have and to sell you a ticket for our HOP ON – HOP OFF buses or change your voucher. Buses are equipped with headphones with **audio recordings about Prague in 23 languages**.
In addition, by buying a ticket you save 200 CZK for an hour-long boat trip! Tickets are available for 24 or 48 hours. This year there is the additional possibility of buying just a one-time headset around Prague with headphones in 23 languages.
